CUNJINDI / EXPORT DESK

Fruit planning calendar

Six existing product lines / usual seasons / a starting point for your enquiry

Match your buying window to our existing range. We tailor selection and packing to your requirements after confirming the available lot.

Chunjian Tangerine Jintang, Sichuan	**December - March**
Soft-seed Pomegranate Huili, Liangshan, Sichuan	**August - November**
Ehime No.38 Jelly Orange Meishan and Danling, Sichuan	**September - December**
French Prune (fresh plum) Jiashi, Xinjiang / also grown in Yunnan	**August - September**
Green Honey Plum Growing area confirmed per lot	**June - July**
Yunnan Blueberry Xishuangbanna, Honghe and Chengjiang, Yunnan	**December - May**

Seasons are reference windows, not live inventory. Share the fruit, quantity with units, destination and arrival window; exact grade, packing, availability and price will be confirmed for the order.

Send your requirements in your usual format.
